TNT KICKBOXING

TNT Fight Class Instructor Course Level 1

TNT Fight Class Instructor Course Level 1

Are You Qualified?

Currently, fitness professionals do not have the adequate knowledge of proper kickboxing techniques which may lead to serious injuries to both parties involved.

Uncertified trainers run the risk of facing legal liabilities from angry clients. Responsible trainers continuously look to upgrade themselves and obtain current valid certifications to give assurance to their clients and improve their level of professionalism.

Get Certified!!

The TNT fight class level 1 course has been specially designed and formulated on the guidelines and regulations approved by the IKF. (Largest Sanctioning Body in the world for the sport of kickboxing)

The course covers:

- Equipment types and usage
- Kickboxing Techniques
- Kickboxing Footwork
- 5 Major Padwork Systems
- Proven Building Block Combination Formats
- Technique Correction
- Correct Verbal Cues

And much more..

Your Clients Would Enjoy:

- *Improved physical & mental coordination, balance flexibility & strength*
- *Body fat reduction & general body toning*
- *Relieve tension stress & anger management*
- *Provide valuable self-defense skills*
- *Boost confidence & self-esteem*
- *And most of all, it's Fun!!!*
